WARRANTY

The steel structures used for MegaDome domes carry a limited warranty of 10 years for pre-galvanized steel and 15 years for hot-dip galvanized steel after welding. The warranty applies to the original purchaser against any material defects related to the original specifications (steel type, galvanization thickness, etc.) as well as manufacturing defects. This warranty is also limited to products manufactured by Harnois and must be interpreted in the context of the anticipated life of the structure when used for its original purpose and maintained according to the manufacturer's recommendations.
